

## VILLAGE WALK SUNDAY 16TH FEBRUARY 2020

This month's walk is just under 4.5 mile and will start at The Worsley Arms car park in Hovingham at **11 am (15 minutes earlier than usual)**.

The route is fairly easy with only a couple of gentle inclines and includes parkland, woodland, fields and good tracks. There are a couple of stiles, however, it may be possible to assist dogs over them. At the time of the recce there were no livestock present in the fields. There will be a **short** refreshment break as we need to be back at the Worsley Arms ready to eat by 1.45 pm latest.

The menu is attached and I would appreciate you letting me know whether you will be walking and/or eating **or not** by the 10th February latest.

Kind regards
